

# Turn everyday moments into learning opportunities for your child.

Parents who sign up for Think Small ParentPowered Texts receive three messages per week with fun facts about your child's development, and easy to implement tips on how to encourage intentional learning in the everyday moments like snack time, going to the store, or getting ready for bed.

Think Small ParentPowered Texts provides continuous support to parents throughout the year, doesn't require a great deal of time, and covers all areas of development—social-emotional, health, literacy, and math skills.

**All messages are based on your child's birthdate (mm/dd/yyyy).** Guaranteeing as your child grows, your messages will always be appropriate for their development.

## monday FACT

## wednesday TIP

## friday GROWTH

Example one:

birth  
to one  
year

When your baby spends time on their tummy, they're building the neck and torso strength needed for physical movement. Any time is great for tummy time!

When your baby is awake and alert, place them on a soft blanket on the floor (tummy down). Say: Hello baby, you're on your tummy. Do they lift up?

Keep up the tummy time. You're building your baby's strength! Now shake a colorful rattle just above your baby's head to encourage them to look up.

Example two:

four-  
year-  
old

To be successful in school, children need to be able to talk to their teachers & peers. You can get children talking by asking silly questions.

On the way to school, ask: If you could make your own planet, what would you put on it? Dinosaurs, wizards and pizza? Talk about your planet too!

Keep asking silly questions! Ask follow-up questions like: Do the wizards ride the dinosaurs? Where do they go? What do they do?

## Signing up is free & easy!
